## Fixed Price Crowns and Bridges†

### Superior Esthetics!

Aurum Ceramic/Classic Dental Laboratories' exclusive Arizona Crowns and Bridges offer you the superior esthetics you demand and the proven reliability of gold - all at an affordable fixed cost you can rely on.\*\* With Arizona, you don't have to sacrifice quality and ease of handling to maintain your Crown & Bridge pricing for anterior crowns, posterior crowns and up to SIX UNIT BRIDGES (anterior or posterior). Single tooth anterior implant restorations are also available.

### High Noble Substructure for Maximum Performance

- High noble framework for biocompatibility, functional strength and long-term value.
- Cast coping is stronger than any gold foil.
- Normal tooth reduction preserves tooth structure (does not require deep chamfer margins).
- Use any conventional cement.

### Superb Esthetics

- Most lifelike PFM available.
- Unique opalescent-layered Porcelain provides brilliant "opal" effect of natural tooth structure.
- As light falling on teeth changes, colour of the restoration changes with natural dentition.
- Collarless design, no metal display with porcelain butt margin.

### Proven Reliability

- Cast thin for a beautiful incisal edge and superior marginal integrity, eliminating microleakage.
- Backed by a 5 year warranty\* against defects in craftsmanship and materials from Aurum Ceramic/Classic.
