

Aurum Ceramic

# Your Total Source for all your Cast Partial Needs!

For superior conventional design cast partials that give your patients that "ultimate smile", take advantage of Aurum Ceramic's forty years of experience and consistent quality control.

## Innovative Solutions To Every Case Situation

Handling all your requirements, from traditional to state-of-the-art, every Aurum Ceramic partial is precision crafted using the latest technology and technique through:

- insightful case planning and consulting in conjunction with our exclusive Computerized Cast Partial Design system.
- the creativity and expertise of our Cast Partial Team™ of experienced technical specialists.
- the finest materials available.
- esthetic partials that seat quickly and easily with fingertip pressure, yet strongly resist dislodgement.

## Crafted With Vitallium® 2000 Alloys

- Smaller, lighter partials for greater patient comfort.
- Extraordinary strength and fracture resistance.
- Clasps that adjust like gold (without deformation).
- Patient-pleasing, high lustre metal surfaces that resist plaque.
- Biocompatible – nickel and beryllium free.

## Offering Superb Service On Every Case

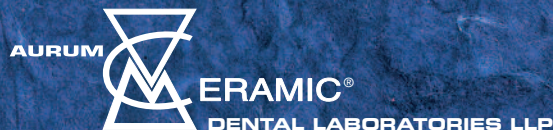

- Each partial accurately surveyed and precisely crafted.
- Always ready to take on your special or custom requirements.
- Fast 72 hour in-laboratory turnaround on request.

## 100% Guaranteed\*

- All metal frameworks guaranteed for a full FIVE (5) YEARS against defects in material and craftsmanship - FREE OF CHARGE!
- Acrylic portion of each case covered for TWO (2) YEARS!

## Put Us To The Test
