

Lava™

Precision Solutions

Now Available
from
Aurum Ceramic/Classic!

Strength That Goes Beyond!

Our strength inspires confidence.

The strength in Lava™ Crowns and Bridges isn't just measured in bar charts. It is the confidence you'll have knowing you are providing your patients with the best.

- + Differentiated zirconia
- + 25 years of zirconia research
- + 5 years of proven clinical results with Lava zirconia
- + Superior fit
- + Integration of material science and digital technology
- + Deep understanding of dental procedures and products
- + Coming soon: digital impressing and integrated digital workflow

See the difference for yourself. To learn more, call your closest Aurum Ceramic/Classic laboratory.
